

What is a Be East Student Luncheon?

Every quarter, teachers nominate exceptional students that regularly demonstrate behaviors that are **E**ngaged, **A**ccountable, **S**afe, and **T**houghtful. These students are invited to a luncheon to recognize them for their positive contributions. Students are able to mingle with teachers and peers while enjoying a special treat from a local restaurant.

Be EAST needs you!

We need sponsors to provide food for luncheons. By donating food for a Be EAST Student Luncheon, your company will be:
